

The numbers to call in the event of illness and injury

Is it a serious injury or life-threatening illness?

Call **112** in the event of serious injury or life-threatening illness. You will be put through to a healthcare worker, who will ensure that you get help.

Is it urgent?

In the event of acute illness or injury, you must call first.

Weekdays from 8 am to 4 pm. **Call your own or your own doctor or a local doctor.** Local doctors are listed in the phone book under "Læger, praktiserende". On weekdays from 4 pm to 8 am, at weekends and on public holidays, call **the emergency doctor service** on tel. +45 7011 3131.

Tourists and citizens who do not have access to their own doctor can call a local doctor or the emergency doctor service on tel. +45 7011 3131. On weekdays from 8 am to 4 pm, the emergency doctor service's telephone is manned by nurses.

Can it wait?

Call your own or a local doctor to make an appointment, get repeat prescriptions, etc.
