Who We Are

Team Relocations is one of the world’s largest mobility companies with a global network supply chain of own operations and approved and certified Partners in 160+ countries.

We employ more than 850 global mobility specialist staff, relocating more than 48.000 families annually.

Storage facilities are provided in Denmark and worldwide.

We aim for ‘the highest quality’ in our business, offering a comprehensive range of innovative and cost effective mobility solutions... always with an eye for the environment.

Account Portfolio

Team Relocations has a diverse account portfolio comprising some of the leading Danish and International corporations, many demonstrating historic client loyalty.

We tailor made our 'client service delivery teams' to ensure services are fitted to their specific company needs and set-up.

Specific client references are delivered upon your request.

Your benefits

We deliver and support a vast range of the best mobility services in the market.

Through our Global Mobility Centre, we even offer a unique single point of coordination service, increasing quality, response time and service.

We offer you a trustworthy partnership no matter the service; relocation, consultancy as well as international and national moves.

Our goal is to assist our customers to maximise their productivity by creating innovative and cost effective solutions
