1: Announcements

Trip abroad

From Fatemeh Razzaghi we have received an enquiry about arranging a trip to another country. Janne Hansen has replied: “We have discussed your idea about arranging a trip to another country in Europe. We all agree that it is a good idea for foreign students to use the opportunity to see some more of Europe while you are here anyway. We encourage you to contact a travel agency to find out what things cost and where you could go. The travel agency can take care of the practical details, like booking flights, hotels, etc. You could then send an email to all the PhD students inviting them on the trip. I hope this helps!”

Viborg International Community

IC has been encouraged to send a person to a meeting on 2 March. Ravi will find a foreign student who can attend this meeting or attend himself.
