First annual meeting of Foulum’s International Club

The International Club (IC) in Foulum held its first annual meeting on 29 October 2008.

The activities and the accounts of the club were reported. The chairman of the Foulum Staff Club (PFF), Anders Breinholt, and the leader of SAFE, Elise Norberg, gave short talks on what PFF and SAFE can offer.

IC’s list of ideas were presented and commented:
A cosy corner should be located in a practical place and include books, not just magazines and newspapers.

A visit to a windmill factory has been suggested for an excursion.

Anton Gårde Thomsen and Ravi Patil were elected to the steering committee instead of Ngoni Chirinda and Kirsten Østergaard. Astrid Andersen was elected as a substitute instead of Margit Schacht.

The steering committee now has the following constitution: Janne Hansen (chairman), Ravi Patil (vice-chairman), Justyna Gorzecka (treasurer), Astrid Andersen (secretary), Ejner Serup and Anton Gårde Thomsen.
