Movie Nights:

Ravi has investigated the matter. Here is the result:

Public facilities like Library, Institutions like DJF or School and Colleges are not allowed to show movies, be it on-line or using DVD or CDs. Else the facility has to get license by paying 10,000 DKK per year! So, the only way is to arrange in someone’s private place. (N.B. there is a poster on the bulletin board in the canteen advertising a movie club in Viborg).

A choir:

We pass on the suggestion to start a choir to the Staff Club.

Lunch in English:

The “official” Lunch in English has been fased out and been replaced by a natural mingling of people at several tables Lunch in Danish has been discussed and will not be further pursued
