Free childcare

If your monthly household income (converted to annual household income) is below DKK 516,799, you can apply for partial exemption from payment, and full exemption if your income is below DKK 166,400 a year.

Sibling discount

The special discount for siblings is granted automatically to the child for whom the monthly rate is the smallest. The full rate is paid for the most expensive place, and half price is paid for places for the other siblings.
